

**CAPITAL REGION WATER
HARRISBURG, PA
ADVANCED WASTEWATER TREATMENT FACILITY (AWTF) ENERGY
RECOVERY IMPROVEMENTS PROJECT**

ADVERTISEMENT FOR BIDS

Sealed Bids for the construction of Capital Region Water Contract Advanced Wastewater Treatment Facility (AWTF) Energy Recovery Improvements Project, No. 2019-24, will be received on the Pennsylvania Electronic Document and Bid Management Website known as PennBid at <http://www.pennbid.net> by Capital Region Water until 3:00 pm local time on December 6, 2023.

The Project consists of constructing a new Solids Conditioning Building containing Gravity Belt Thickener and Sludge Thermal-Chemical Conditioning Equipment, a new High Strength Waste (HSW) Receiving Station, a new Renewable Natural Gas (RNG) generation system, new Natural Gas Fired Boilers, new Natural Gas Fueled Generators, and associated civil, structural, architectural, mechanical, controls, HVAC, and electrical work at the AWTF.

Separate Bids will be received for Contract No. 2019-24-G – General Construction; Contract No. 2019-24-E – Electrical Construction; Contract No. 2019-24-H – Heating, Ventilating, and Air Conditioning Construction. Bids shall be on a lump sum price basis.

A non-mandatory virtual pre-bid meeting will be held on Tuesday, October 31 at 10:00AM. The pre-bid meeting will be conducted via audio-video conference. Anyone interested in participating in the virtual pre-bid meeting should contact Nick Taylor at Nick.Taylor@arcadis.com by October 27th, 2023 at 1:00 PM to receive meeting participation instructions.

Contractor is directed to the Information to Bidders Section of the Specifications for information on date available for site visits to review project site.

Notice is hereby given that Capital Region Water has adopted the Minority Women and Disadvantaged Business Enterprise Plan to ensure that minority, women and other disadvantaged business enterprises have an equal opportunity to receive and participate in all project related construction contracts. Following the submission of DBE documentation in compliance with EPA Regulations regarding initial solicitations, it is the intent of Capital Region Water to ensure nondiscrimination in the award and administration of contracts, to create a level playing field on which minority, women, veteran, service-disabled-veteran, and LGBT-owned business enterprises can compete fairly for Capital Region Water contracts and subcontracts, to help remove barriers to the participation of minority, women, veteran, service-disabled veteran, and LGBT-owned business enterprises and to assist the development of firms that can compete successfully in the marketplace outside of this program. CRW will establish minimum participation levels (MPLs) for the MBEs, WBEs and other DBEs on a project-by-project basis.

Each Bid shall include a completed non-collusion affidavit in accordance with the Instructions to Bidders. Bid security shall be furnished in accordance with the Instructions to Bidders.
